3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A Promissory Note for a sum, calculated according to the scale noted in the margin, shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal Receipts, or by substitution of other public securities of the Government of India, on or before 3-30 P.M. in the afternoon of the fifth day after the sale provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M. or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6.—The said promissory notes shall be absolutely payable in any event and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M. if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such note or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this Office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17.—The public are hereby informed that, in providing the investment of the opium manufactured at the Patna factory and the opium manufactured at the Ghazee pore factory for the year 1880-81, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazee pore factories, and a statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18.—Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the Office of the Board of Revenue. But, in accordance

with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

19.—It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of opium manufactured at the Patna and Ghazepore factories declared as above for sale at the twelve sales of the year 1882, there shall be delivered to them, at the average of the particular sale or sales to which the opium so applied for may belong, a quantity not exceeding in the aggregate 300 chests, and the Agents of the French Government must make requisition specifying the quantity of opium required by them at any particular sale within thirty days from the advertisement of such intended sale: provided, however, that the Agent of the French Government may make such requisition for the whole quantity within thirty days from the publication of this notification. If the Agent of the French Government shall not make the requisition for opium within the time above mentioned, the entire quantity of about 56,400 chests of opium manufac-

tured at the Patna and Ghazepore factories, as above estimated, will be brought to sale in the usual manner; and if they shall make application for a quantity of opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing after the date fixed for payment, or by selling such opium, or any portion of it at any subsequent monthly sale in addition to the quantity which in this advertisement is approximately mentioned as the quantity to be sold at such sale; or by selling such opium at a sale to be held expressly for the purpose.

Article of the Convention above referred to.

“Article VI.—With regard to the trade in opium, it is agreed between the high contracting parties that at each of the periodical sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of chests so applied for, provided that such supply shall not exceed three hundred chests in each year, and the price for the same shall be determined by the average rate at which opium shall have been sold at every such periodical sale, it being understood that if the quantity of opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred chests hereinbefore mentioned. The requisitions for opium, as aforesaid, are to be addressed to the Governor-General at Calcutta within thirty days after notice of the intended sales shall have been published in the *Government Gazette*.”

The following are the conditions of sale:—

1.—The Opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2.—The Opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 13 of these Conditions of Sale. The bids must advance by Rs. 5 at a time.

3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A Promissory Note for a sum, calculated according to the scale noted in the margin, shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal Receipts, or by substitution of other public securities of the Government of India, on or before 3-30 P.M. in the afternoon of the fifth day after the sale provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M. or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

DEPOSIT.
When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.
On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.
On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.
And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

6.—The said promissory notes shall be absolutely payable in any event and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M. if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such note or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this Office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17.—The public are hereby informed that, in providing the investment of the opium manufactured at the Patna factory and the opium manufactured at the Ghazepore factory for the year 1880-81, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazepore factories, and a statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18.—Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the Office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

19.—It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of opium manufactured at the Patna and Ghazepore factories declared as above for sale at the twelve sales of the year 1882, there shall be delivered to them, at the average of the particular sale or sales to which the opium so applied for may belong, a quantity not exceeding in the aggregate 300 chests, and the Agents of the French Government must make requisition specifying the quantity of opium required by them at any particular sale within thirty days from the advertisement of such intended sale: provided, however, that the Agent of the French Government may make such requisition for the whole quantity within thirty days from the publication of this notification. If the Agent of the French Government shall not make the requisition for opium within the time above mentioned, the entire quantity of about 56,400 chests of opium manufactured at the Patna and Ghazepore factories, as above estimated, will be brought to sale in the usual manner; and if they shall make application for a quantity of opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of

Bengal reserves to itself the right of disposing of the opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing after the date fixed for payment, or by selling such opium, or any portion of it at any subsequent monthly sale in addition to the quantity which in this advertisement is approximately mentioned as the quantity to be sold at such sale; or by selling such opium at a sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Article VI.—With regard to the trade in opium, it is agreed between the high contracting parties that at each of the periodical sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of chests so applied for, provided that such supply shall not exceed three hundred chests in each year, and the price for the same shall be determined by the average rate at which opium shall have been sold at every such periodical sale, it being understood that if the quantity of opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred chests hereinbefore mentioned. The requisitions for opium, as aforesaid, are to be addressed to the Governor-General at Calcutta within thirty days after notice of the intended sales shall have been published in the *Government Gazette*."

The following are the conditions of sale:—

1.—The Opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2.—The Opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 13 of these Conditions of Sale. The bids must advance by Rs. 5 at a time.

3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A Promissory Note for a sum, calculated according to the scale noted in the margin, shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal Receipts, or by substitution of other public securities of the Government of India, on or before 3-30 P.M. in the afternoon of the fifth day after the sale provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M. or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

DEPOSIT.
When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.
On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.
On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.
And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

6.—The said promissory notes shall be absolutely payable in any event and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M. if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted.

Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such note or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this Office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the Office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17.—The public are hereby informed that, in providing the investment of the opium manufactured at the Patna factory and the opium manufactured at the Ghazee pore factory for the year 1880-81, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazee pore factories, and a statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18.—Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the Office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

19.—It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of opium manufactured at the Patna and Ghazee-pore factories declared as above for sale at the twelve sales of the year 1882, there shall be delivered to them, at the average of the particular sale or sales to which the opium so applied for may belong, a quantity not exceeding in the aggregate 300 chests, and the Agents of the French Government must make requisition specifying the quantity of opium required by them at any particular sale within thirty days from the advertisement of such intended sale: provided, however, that the Agent of the French Government may make such requisition for the whole quantity within thirty days from the publication of this notification. If the Agent of the French Government shall not make the requisition for opium within the time above mentioned, the entire quantity of about 56,400 chests of opium manufac-

tured at the Patna and Ghazee-pore factories, as above estimated, will be brought to sale in the usual manner; and if they shall make application for a quantity of opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing after the date fixed for payment, or by selling such opium, or any portion of it at any subsequent monthly sale in addition to the quantity which in this advertisement is approximately mentioned as the quantity to be sold at such sale; or by selling such opium at a sale to be held expressly for the purpose.

Article of the Convention above referred to.

“Article VI.—With regard to the trade in opium, it is agreed between the high contracting parties that at each of the periodical sales of that article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of chests so applied for, provided that such supply shall not exceed three hundred chests in each year, and the price for the same shall be determined by the average rate at which opium shall have been sold at every such periodical sale, it being understood that if the quantity of opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred chests hereinbefore mentioned. The requisitions for opium, as aforesaid, are to be addressed to the Governor-General at Calcutta within thirty days after notice of the intended sales shall have been published in the *Government Gazette*.”

2. Bills of lading executed out of British India, before presentation at the Custom House, must be taken to the Collector of Calcutta, to have the requisite stamp impressed upon them under section 17 of the Stamp Act.

3. Bills of lading executed in British India may be prepared on impressed sheets or stamped paper, which can be procured at the office of the Collector of Calcutta, or being otherwise prepared, may be taken to the Collector to have an impressed label affixed to them. The latter is the usual practice.

4. From the bills of lading presented at the Custom-house, it appears that the requirements of the stamp law are frequently disregarded. It is therefore my duty to point out that unstamped or insufficiently stamped bills of lading are liable to be impounded under section 33 of the Stamp Act. I intend, however, for the present to give the holder of a bill of lading not duly stamped, an opportunity of having the proper stamp impressed upon it by the Collector of Calcutta, instead of proceeding to the extreme measure of impounding the document; but should this prove ineffectual to secure compliance with the law it will be necessary to deal with infringements as the law directs.

[Reprinted from the Gazette of India.]

The following Extraordinary, issued by the Government of India, in the Department of Finance and Commerce, is republished for general information :—

NOTIFICATION.

ACCOUNTS AND FINANCE.

Simla, the 27th June 1881.

The Governor-General in Council has determined to borrow three hundred Lakhs of rupees, being the amount required for the public service.

The following Notification is therefore published :—

His Excellency the Right Hon'ble the Governor-General in Council has resolved to borrow three hundred Lakhs of rupees for the public service in the following manner.

2. Promissory Notes (with coupons attached, if so desired) will be issued for the said amount in Form A annexed to this Notification, being the form of the notes of *The Loan of 1st May 1865*, of which Loan the notes to be now issued will form a part, or, at the option of the allottees, stock certificates with coupons attached will be issued to them in Form B attached to this Notification. All the conditions which apply to notes of the *Loan of 1st May 1865*, will apply to the notes and certificates to be now issued.

3. Tenders for the whole or any part of the said amount of three hundred Lakhs of rupees will be received by the Comptroller-General from this date to noon of Monday, the 25th of July 1881.

4. Each tender must be addressed, in the form annexed to this Notification, to the Comptroller-General, Treasury Buildings, Calcutta, and enclosed in a sealed cover, superscribed "*Tender for the Four per Cent. Loan, 1881.*" If the tenderer is not resident in India, he must name an agent resident in India to whom a letter of allotment may be issued if any part of the loan is allotted to such tenderer.

5. Each tender must be accompanied by a receipt from one of the Banks of Bengal, Madras, or Bombay, or one of their branches, or from an officer in charge of some public treasury, or by a cheque drawn in favor of the Comptroller-General on a banker in Calcutta, Madras, or Bombay, or by* Government Promissory Notes, standing in the name of or endorsed to the tenderer or the person making the deposit, for not less than one hundredth, or if the tender be for less than five Lakhs of rupees, then for not less than one fiftieth part of the tender. If the allotment is not fully taken up, this deposit of one or two per centum will be forfeited, and if one or more Government Promissory Notes have been deposited, such note or notes will be appropriated by the Government and cancelled; otherwise, if the deposit is in cash, it will be treated as in part payment of the last instalment. A cash deposit may, after acceptance of the tender in support of which it is made, be replaced by a Government Promissory Note, as aforesaid.

6. The rate at which a tender is made must not contain a fraction of an anna: if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out and the tender treated as if the rate did not contain such fraction of an anna.

7. The rate at which each tender is made must be specified in rupees or rupees and annas: a tender in which no rate is thus specified, but a subscription is offered in some other terms, as, for example, at the recorded minimum, or at some specified percentage in addition to the recorded minimum, or at the average of the accepted tenders, will be rejected as null and void.

8. The minimum rate at which tenders will be accepted will be recorded under the signature of the Comptroller-General, and, when the tenders are opened, placed upon the table in a sealed envelope, but will not be declared unless some tender is rejected only because it is below the recorded minimum.

9. Tenders will be opened, publicly, at the Office of the Comptroller-General in Calcutta, at noon on Monday, the 25th July 1881: but the contents of the tenders will not be disclosed otherwise than as provided in clause 11.

10. Tenders at the recorded minimum rate, and at rates above the recorded minimum rate, will be accepted in the order of the rates tendered, beginning with the highest rate; the amount allotted at the lowest rate at which tenders are accepted, will be divided amongst those who have tendered at this rate, in proportion, as nearly as may be found convenient, to the amounts of their tenders.

11. As soon as possible after the 25th July 1881, letters of allotment will be issued to those persons whose tenders are accepted in whole or in part, or to their agents; and an alphabetical list of the names of those to whom such letters of allotment are issued will be posted, for general information, at the Head Offices of the Banks of Bengal, Madras, and Bombay.

12. Payment of any accepted tender may be made to the account of the Government in the Head Office of one of the Banks of Bengal, Madras, or Bombay, or in any branch of these Banks, or into any public Treasury or Treasuries in India which may be named in the tender.

14. Interest upon each payment will be promptly paid in advance, at the rate of four per centum per annum, from the date of such payment to the last day of October 1881. In the case of Promissory Notes, at the option of the allottee and on his paying interest from the first day of May 1881, to date of payment, interest will run from the said first day of May.

15. Scrip receipts for instalments paid will be given by the Banks of Bengal, Madras, and Bombay, or their branches, or by the officers in charge of the Government Treasuries at which payment is made. These receipts will, as soon as possible, be exchanged for Promissory Notes or couponed certificates issued under this Notification.

16. The Governor-General in Council reserves to himself the right of allotting any part of the proposed loan to Native Chiefs, at the average rate at which it is issued to the public; and in such case the balance only will be allotted in the manner declared in this notification.

(c) Persons convicted by judgment in default or *arrêt de contumace* shall be, in the matter of extradition, considered as persons accused, and may, as such, be surrendered.

(d) After the Police Magistrate shall have committed the accused or convicted person to prison to await the order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of *habeas corpus*; if he should so apply, his surrender must be deferred until after the decision of the Court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant. In the latter case, the Court may at once order his delivery to the person authorised to receive him, without waiting for the order of a Secretary of State for his surrender, or commit him to prison to await such order.

ARTICLE VI.

In Switzerland the manner of proceeding shall be as follows:—

The requisition for the extradition of an accused person must be accompanied by an

Grund dazu vorliegt, den Verhaftsbefehl gegen den Flüchtigen zu erlassen. Nach dem Empfang dieser Ordre des Statsekretärs und auf die Vorlage solchen Beweises, welcher nach der Ansicht des Magistraten den Erlass des Verhaftsbefehles rechtfertigen würde, wenn das Verbrechen in dem Vereinigten Königreiche verübt worden wäre, soll er den Verhaftsbefehl erlassen.

Wenn die reklamierte Person verhaftet worden ist, so soll sie vor den Magistraten, welcher den Verhaftsbefehl erlassen hat, oder vor einen andern Polizeimagistraten in London gebracht werden. Wenn der hierauf zu produzierende Beweis ein solcher ist, das er gemäss dem englischen Geseze hinreichen würde, um den Verhafteten zur Aburtheilung vor das Gericht zu verweisen, falls das Verbrechen, dessen er angeklagt ist, im Vereinigten Königreiche verübt worden wäre, so soll der Polizeimagistrat dessen Versezung in das Gefängniss verfügen, um die Ordre des Statsekretärs zum Vollzuge der Auslieferung abzuwarten und dem Statsekretär sofort ein Attestat über diese Verfügung mit Bericht über den Fall mittheilen.

Nachdem seit der Verfügung über die Versezung des Verhafteten in das Gefängniss eine Zeitfrist verflossen ist, welche nie weniger als fünfzehn Tage betragen darf, soll der Statsekretär durch eine von ihm eigenkändig unterzeichnete und mit seinem Siegel versehene Ordre den Transport des auszuliefernden Individuums in denjenigen Meerhafen anordnen, welcher zu dessen Auslieferung an die schweizerische Regierung im einzelnen Falle bezeichnet werden wird.

(b) Wenn es sich um eine verurtheilte Person handelt, so soll gleich verfahren werden, wie wenn es sich um eine angeklagte Person handeln würde, ausgenommen, dass in dem Verhaftsbefehle, welcher von dem diplomatischen Vertreter der Schweiz zur Unterstützung des Auslieferungsbegehrens einzureichen ist, das Verbrechen oder Vergehen, wegen dessen das reklamierte Individuum verurtheilt wurde, klar dargestellt, und auch der Ort und das Datum des Urtheiles angegeben werden müssen.

Als Beweis muss das Strafurtheil beigebracht werden, welches von dem zuständigen Gerichte des die Auslieferung begehrenden States gegen den Verurtheilten erlassen worden ist.

(c) Personen, welche *in contumaciam* verurtheilt worden sind, werden in Auslieferungsangelegenheiten wie Angeklagte behandelt und als solche ausgeliefert.

(d) Nachdem der Polizeimagistrat die Versezung des Angeklagten oder Verurtheilten in das Gefängniss verfügt hat, um die Ordre des Statsekretärs zur Vollziehung seiner Auslieferung abzuwarten, hat diese Person das Recht, um eine Verfügung auf *habeas corpus* einzukommen. Wenn sie hievon gebrauch macht, so soll die Auslieferung verschoben werden bis nach dem Entscheide des Gerichtshofes über ihr Gesuch, und kann nur stattfinden, wenn der Entscheid für den Petenten ungünstig lautet. Im letztern Falle kann das Gericht gleichseitig die Vollziehung der Auslieferung verfügen, ohne die Ordre des Statsekretärs abzuwarten oder es kann die Beibehaltung des Verhafteten verfügen bis nach Erlass jener Ordre.

ARTIKEL VI.

In der Schweiz soll folgendes Verfahren stattfinden:

Im Falle das Auslieferungsbegehren gegen eine angeklagte Person gerichtet ist, so muss eine

authentic copy of the warrant of arrest, issued by a competent official or Magistrate, clearly setting forth the crime or offence of which he is accused, together with a properly legalized information setting forth the facts and evidence upon which the warrant was granted.

If the requisition relates to a person already convicted, it must be accompanied by an authentic copy of the sentence or conviction, setting forth the crime or offence of which he has been convicted.

The requisition must also be accompanied by a description of the person claimed, and if it be possible, by other information and particulars which may serve to identify him.

After having examined these documents, the Swiss Federal Council shall communicate them to the Cantonal Government in whose territory the person charged is found, in order that he may be examined by a judicial or police-officer on the subject of their contents.

The Cantonal Government will transmit the *procès-verbal* of the examination, together with all the documents, accompanied, if there be one, by a more detailed report to the Federal Council, who, after having examined them and there be no opposition on either side, will grant the extradition, and will communicate its decision both to the British Legation and to the Cantonal Government in question, to the latter in order that it may send the person to be surrendered to such place on the frontier, and deliver him to such foreign police authority as the British Legation may name in each special case.

Should the documents furnished with a view of proving the facts, or of establishing the identity of the accused, or the particulars collected by the Swiss authorities appear insufficient, notice shall be immediately given to the Diplomatic Representative of Great Britain, in order that he may furnish further evidence. If such further evidence be not furnished within fifteen days the person arrested shall be set at liberty.

In the event of the application of this Treaty being contested, the Swiss Federal Council will transmit the documents ("dossier") to the Swiss Federal Tribunal, whose duty it is to decide definitely the question whether extradition should be granted or refused.

The Federal Council will communicate the judgment of the Federal Tribunal to the British Legation. If this judgment grants the extradition the Federal Council will order its execution, as in the case when the Federal Council itself grants the extradition. If, on the other hand, the Federal Tribunal refuses the extradition, the Federal Council will immediately order the person accused to be set at liberty.

ARTICLE VII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the depositions or statements of witnesses, either sworn or solemnly declared to be true, taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, or copies thereof, provided such documents purport to be signed or certified by a Judge, Magistrate, or officer of such

authentische Kopie des von einem kompetenten Beamten oder Magistraten erlassenen Verhaftsbefehles der das Verbrechen oder Vergehen, dessen sie angeklagt ist, klar bezeichnet, vorgelegt werden und von einer gehörig legalisirten Darstellung der Thatfachen und der Beweise, gestützt auf welche der Verhaftsbefehl bewilligt worden ist, begleitet sein.

Wenn das Auslieferungsbegehren eine verurtheilte Person betrifft, so muss es von einer authentischen Kopie des Urtheiles begleitet sein, worin das Verbrechen oder Vergehen, wegen dessen sie verurtheilt wurde, angegeben ist.

Mit dem Auslieferungsbegehren müssen ferner das Signalement der reklamirten Person, und, wenn möglich, noch andere Informationen und Details, welche zur Feststellung ihrer Identität dienen mögen, vorgelegt werden.

Nach geschehener Prüfung dieser Schriftstücke wird sie der Bundesrath derjenigen Kantonsregierung übersenden, auf deren Gebiet der Verfolgte sich befindet, damit der Letztere durch einen gerichtlichen oder polizeilichen Beamten über ihren Inhalt einvernommen werde.

Die Kantonsregierung wird das Einvernehmensprotokoll nebst sämtlichen Akten und allfälligen weiteren Berichte dem Bundesrath übersenden, welcher nach erfolgter Prüfung derselben, im Falle von Keiner Seite Einsprache erhoben ist, die Auslieferung bewilligen und seinen Entscheid sowohl der Gesandtschaft von Grossbritannien, als auch der betreffenden Kantonsregierung mittheilen wird, letzterer behufs Uebergabe des auszuliefernden Individuums an derjenigen Grenzstelle und an diejenige auswärtige Polizeibehörde, welche im einzelnen Falle von der Grossbritannischen Gesandtschaft zu bezeichnen ist.

Wenn die zur Feststellung des Thatbestandes oder der Identität des Angeklagten vorgelegten Aktenstücke oder die von den schweizerischen Behörden zu gleichen Zwecken gemachten Erhebungen ungenügend erscheinen sollten, so wird dem diplomatischen Vertreter Grossbritanniens unverzüglich davon Mittheilung gemacht behufs weiterer Nachweise. Werden sie nicht vor Ablauf von 15 Tagen beigebracht, so wird der Verhaftete in Freiheit gesetzt.

I am Falle gegen die Anwendbarkeit dieses Vertrages eine Einsprache vorliegt, wird der Bundesrath sämtliche Akten dem schweizerischen Bundesgerichte übersenden, welches über die Bewilligung oder Verweigerung der Auslieferung definitiv zu entscheiden hat.

Der Bundesrath wird den Entscheid des Bundesgerichtes der Grossbritannischen Gesandtschaft mittheilen. Lautet derselbe auf Bewilligung der Auslieferung, so wird der Bundesrath die Vollziehung anordnen wie in dem Falle, wo er von sich aus die Auslieferung bewilligt hat. Ist dagegen vom Bundesgerichte die Auslieferung abgelehnt worden, so wird der Bundesrath sofort die Freilassung des Verhafteten verfügen.

ARTIKEL VII.

Die Behörden des ersuchten States haben bei der Prüfung, welche ihnen nach den vorstehenden Bestimmungen obliegt, den beschworenen oder feierlich als Wahrheit erklärten Depositionen und Zeugenaussagen, welche in dem andern State zu Protokoll genommen sind, desgleichen den Abschriften hiervon und ebenso den in andern State erlassenen Haftbefehlen und Urtheilen oder Abschriften hiervon volle Beweiskraft beizulegen, vorausgesetzt, dass in diesen Schrifts-

The personal attendance of witnesses can be required only to establish the identity of the person who is being proceeded against with that of the person arrested.

ARTICLE VIII.

If proof sufficient to warrant the extradition be not furnished within two months from the day of the apprehension, the person arrested shall be discharged from custody.

ARTICLE IX.

In cases where it may be necessary, the Swiss Government shall be represented at the English Courts by the Law Officers of the Crown, and the English Government in the Swiss Courts by the competent Swiss authorities.

The respective Governments will give the necessary assistance within their territories to the Representatives of the other State who claim their intervention for the custody and security of the persons subject to extradition.

No claim for the repayment of expenses for the assistance mentioned in this Article shall be made by either of the Contracting Parties.

ARTICLE X.

The present Treaty shall apply to crimes and offences committed prior to the signature of the Treaty; but a person surrendered shall not be tried for any crime or offence committed in the other country before the extradition other than the crime for which his surrender has been granted.

ARTICLE XI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has, in fact, been made with a view to try and punish him for an offence of a political character.

ARTICLE XII.

The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution, or the conviction thereon, exemption from prosecution or punishment has been acquired according to the laws of the State applied to.

ARTICLE XIII.

The extradition shall not take place if the person claimed on the part of the Government of the United Kingdom, or the person claimed on the part of the Swiss Government, has already been tried and discharged or punished, or is still under trial, in one of the Swiss Cantons or in the United Kingdom respectively, for the crime for which his extradition is demanded.

Das persönliche Erscheinen von Zeugen darf nur verlangt werden zur Feststellung der Identität der Person des Verfolgten mit derjenigen des Verhafteten.

ARTIKEL VIII.

Wenn der zur Bewilligung der Auslieferung genügende Beweis nicht binnen zwei Monaten von dem Tage der Ergreifung des Flüchtigen an beigebracht wird so ist der Ergriffene auf freien Fuss zu setzen.

ARTIKEL IX.

In Fällen, wo es nöthig sein mag, wird die schweizerische Regierung bei den Englischen Gerichtshöfen durch die Kronanwälte, und die Englische Regierung bei den schweizerischen Behörden durch die kompetenten schweizerischen Beamten vertreten sein.

Die beiden Regierungen werden den Repräsentanten des andern States, welche ihre Intervention behufs der Verwahrung und Sicherung der anzuliefernden Person verlangen, auf ihren Gebieten die nöthige Hilfe gewähren.

Für die aus diesem Artikel entspringende Rechtshilfe wird gegenseitig auf jede Vergütung von Kosten verzichtet.

ARTIKEL X.

Der gegenwärtige Vertrag ist auf Verbrechen und Vergehen anwendbar, welche vor seiner Unterzeichnung begangen worden sind. Die ausgelieferte Person darf jedoch wegen keines andern in dem andern Lande vor der Auslieferung begangenen Verbrechens oder Vergehens zur Beurtheilung gezogen werden, als wegen desjenigen, für welches die Auslieferung gewährt worden ist.

ARTIKEL XI.

Ein flüchtiger Verbrecher soll nicht ausgeliefert werden, wenn die strafbare Handlung, wegen deren seine Auslieferung verlangt wird, einen politischen Charakter an sich trägt, oder wenn er nachweisen kann, dass der Antrag auf seine Auslieferung in Wirklichkeit mit der Absicht gestellt worden ist, ihn wegen eines Verbrechens oder Vergehens politischer Natur zu verfolgen oder zu bestrafen.

ARTIKEL XII.

Die Auslieferung soll nicht stattfinden, wenn seit der begangenen strafbaren Handlung, oder der Einleitung der strafgerichtlichen Verfolgung, oder der erfolgten Verurtheilung nach den Gesetzen des ersuchten States Befreiung von der strafgerichtlichen Verfolgung oder der erkannten Strafe eingetreten ist.

ARTIKEL XIII.

Die Auslieferung soll nicht stattfinden, wenn die von der schweizerischen Regierung verfolgte Person im Vereinigten Königreiche, oder die Seitens der Regierung des Vereinigten Königreiches verfolgte Person in einem Kanton der Schweiz wegen derselben strafbaren Handlung, wegen deren die Auslieferung beantragt wird, in Untersuchung gewesen und ausser Verfolgung gesetzt worden, oder sich noch in Untersuchung befindet oder bereits bestraft worden ist.

ARTICLE XIV.

If the person claimed on the part of the Government of the United Kingdom, or if the person claimed on the part of the Swiss Government, should be under examination, or have been condemned for any other crime, in one of the Swiss Cantons or in the United Kingdom respectively, his extradition may be deferred until he shall have been set at liberty in due course of law.

In case such individual should be proceeded against in the country in which he has taken refuge, on account of obligations contracted towards private individuals, his extradition shall, nevertheless, take place; the injured party retaining his right to prosecute his claims before the competent authority.

ARTICLE XV.

If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

ARTICLE XVI.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

This delivery shall take place even when the extradition, after having been granted, cannot be carried out by reason of the escape or death of the individual claimed, unless the claims of third parties with regard to the above-mentioned articles render such delivery inexpedient.

ARTICLE XVII.

The contracting parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance to the frontiers of the State to which the requisition is made; they reciprocally agree to bear such expenses themselves.

ARTICLE XVIII.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of Her Britannic Majesty.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions, shall be made to the Governor or to the supreme authority of such Colony or possession through the Swiss Consul residing there, or, in case there should be no Swiss Consul, through the recognized Consular Agent of another State charged with the Swiss interests in the Colony or possession in question.

ARTIKEL XIV.

Wenn die von der schweizerischen Regierung verfolgte Person in Vereinigten Königreiche oder wenn die Seitens der Regierung des Vereinigten Königreiches verfolgte Person in einem Kanton der Schweiz wegen einer andern strafbaren Handlung in Untersuchung liegt oder verurtheilt worden ist, so kann die Auslieferung verschoben werden bis diese Person in gehörigen Rechtsgang in Freiheit gesetzt worden ist.

Wird ein solches Individuum wegen Verpflichtungen, die dasselbe mit Privatpersonen abgeschlossen hat, in jenem Lande, in welchem es Zuflucht genommen hat, gerichtlich verfolgt, so soll dessen Auslieferung dennoch stattfinden, dabei aber der beschädigten Partei das Recht vorbehalten bleiben, ihre Ansprache vor der kompetenten Behörde geltend zu machen.

ARTIKEL XV.

Wird ein Individuum von einer der beiden Vertragsparteien auf Grund des gegenwärtigen Vertrages zur Auslieferung reklamirt, zugleich aber auch dessen Auslieferung von einer oder mehreren andern Mächten wegen anderer auf deren Gebieten begangener Verbrechen oder Vergehen verlangt, so ist dasjenige Gesuch im Vorgange zu bewilligen, welches das älteste im Datum ist.

ARTIKEL XVI.

Alle in Beschlagnahme genommenen Gegenstände, welche zur Zeit der Verhaftung der auszuliefernden Person in deren Besitz waren, sollen, wenn die zuständige Behörde des um die Auslieferung ersuchten States die Ausantwortung derselben angeordnet hat, bei Vollziehung der Auslieferung mitübergeben werden, und diese Ueberlieferung soll sich nicht blos auf die entfremdeten Gegenstände, sondern auch auf Alles erstrecken, was zum Beweis, der strafbaren Handlung dienen kann.

Die Ablieferung dieser Gegenstände soll auch dann stattfinden, wenn die bereits bewilligte Auslieferung wegen der Entweichung oder des Todes der auszuliefernden Person unmöglich geworden ist, es wäre denn, dass die Ansprüche dritter Personen in Betreff der erwähnten Gegenstände deren Ablieferung nicht zu lassen.

ARTIKEL XVII.

Die vertragenden Theile verzichten darauf, die Erstattung derjenigen Kosten, welche ihnen aus der Festnahme und dem Unterhalte des Auszuliefernden und seinem Transport bis zur Grenze des requirirten States erwachsen, in Anspruch zu nehmen, willigen vielmehr gegenseitig darein diese Kosten selbst zu tragen.

ARTIKEL XVIII.

Die Bestimmungen des gegenwärtigen Vertrages sollen auf die Colonien und auswärtigen Besitzungen Ihrer Grossbritannischen Majestät Anwendung finden.

Der Antrag auf Auslieferung eines flüchtigen Verbrechers, welcher in einer dieser Colonien oder auswärtigen Besitzungen Zuflucht gefunden hat, soll bei dem Gouverneur oder bei der höchsten Behörde der betreffenden Kolonie oder Besitzung durch den in derselben residirenden schweizerischen Consul, oder in Ermangelung eines solchen, durch den anerkannten Konsularagenten eines andern States, welchen die Wahrung der schwei-

The requisition for the surrender of a fugitive criminal from any Colony or foreign possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

The 29th June 1881.

No. 1504.—The following Notification No. 1425, dated 27th instant, as amended by Notification No. 1503, dated 28th instant, is republished for general information :—

Simla, the 27th June 1881.

No. 1425.—The Governor-General in Council has determined to borrow three hundred lakhs of rupees, being the amount required for the public service.

The following Notification is therefore published :—

FOUR PER CENT. LOAN.

His Excellency the Right Hon'ble the Governor-General in Council has resolved to borrow three hundred lakhs of rupees for the public service in the following manner.

2. Promissory Notes (with coupons attached, if so desired) will be issued for the said amount in Form A annexed to this Notification, being the form of the notes of *The Loan of 1st May 1865*, of which Loan the notes to be now issued will form a part, or, at the option of the allottees, stock certificates with coupons attached will be issued to them in Form B attached to this Notification. All the conditions which apply to notes of the *Loan of 1st May 1865*, will apply to the notes and certificates to be now issued.

3. Tenders for the whole or any part of the said amount of three hundred lakhs of rupees will be received by the Comptroller-General from this date to noon of Monday, the 25th of July 1881.

4. Each tender must be addressed, in the form annexed to this Notification, to the Comptroller-General, Treasury Buildings, Calcutta, and enclosed in a sealed cover, superscribed "*Tender for the Four per Cent. Loan, 1881.*" If the tenderer is not resident in India, he must name an agent resident in India to whom a letter of allotment may be issued if any part of the loan is allotted to such tenderer.

5. Each tender must be accompanied by a receipt from one of the Banks of Bengal, Madras, or Bombay, or one of their branches, or from an officer in charge of some public treasury, or by a cheque drawn in favor of the Comptroller-General on a banker in Calcutta, Madras, or Bombay, or by* Government Promissory Notes, standing in the name of or endorsed to the tenderer or the person making the deposit, for not less than one hundredth, or if the tender be for less than five lakhs of rupees, then for not less than one fiftieth part of the tender. If the allotment is not fully taken up, this deposit of one or two per centum will be forfeited, and if one or more Government Promissory Notes have been deposited, such note or notes will be appropriated by the Government and cancelled; otherwise, if the deposit is in cash, it will be treated as in part payment of the last instalment. A cash deposit may, after acceptance of the tender in support of which it is made, be replaced by a Government Promissory Note, as aforesaid.

6. The rate at which a tender is made must not contain a fraction of an anna: if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out, and the tender treated as if the rate did not contain such fraction of an anna.

7. The rate at which each tender is made must be specified in rupees or rupees and annas: a tender in which no rate is thus specified, but a subscription is offered in some other terms, as, for example, at the recorded minimum, or at some specified percentage in addition to the recorded minimum, or at the average of the accepted tenders, will be rejected as null and void.

8. The minimum rate at which tenders will be accepted will be recorded under the signature of the Comptroller-General, and, when the tenders are opened, placed upon the table in a sealed envelope, but will not be declared unless some tender is rejected only because it is below the recorded minimum.

9. Tenders will be opened, publicly, at the Office of the Comptroller-General in Calcutta, at noon on Monday, the 25th July 1881: but the contents of the tenders will not be disclosed otherwise than as provided in clause 11.

10. Tenders at the recorded minimum rate, and at rates above the recorded minimum rate, will be accepted in the order of the rates tendered, beginning with the highest rate; the amount allotted at the lowest rate at which tenders are accepted, will be divided amongst those who have tendered at this rate, in proportion, as nearly as may be found convenient, to the amounts of their tenders.

11. As soon as possible after the 25th of July 1881, letters of allotment will be issued to those persons whose tenders are accepted in whole or in part, or to their agents; and an alphabetical list of the names of those to whom such letters of allotment are issued will be posted, for general information, at the Head Offices of the Banks of Bengal, Madras, and Bombay.

12. Payment of any accepted tender may be made to the account of the Government in the Head Office of one of the Banks of Bengal, Madras, or Bombay, or in any branch of these Banks, or into any public Treasury or Treasuries in India which may be named in the tender.

13. Accepted tenders must be paid, in equal instalments, as follows:—

One-third on or before Monday, 8th August 1881,

but the whole or any part of any accepted tender may be paid at any time after receipt of the letter of allotment.

14. Interest upon each payment will be promptly paid in advance, at the rate of four per centum per annum, from the date of such payment to the last day of October 1881. In the case of Promissory Notes, at the option of the allottee, and on his paying interest from the first day of May 1881, to date of payment, interest will run from the said first day of May.

15. Scrip receipts for instalments paid will be given by the Banks of Bengal, Madras, and Bombay, or their branches, or by the officers in charge of the Government Treasuries at which payment is made. These receipts will, as soon as possible, be exchanged for Promissory Notes or couponed certificates issued under this Notification.

RESOLUTION.

In 1879, under the pressure of financial exigencies, it was determined that the work of two departments, the Home Department and the Revenue, Agriculture and Commerce Department, should be amalgamated (some of the duties of the latter being at the same time transferred to the Finance and Military Departments), and that the office of Secretary in the Revenue, Agriculture, and Commerce Department should be abolished. This measure was not adopted without reluctance, as it was admitted that the system which had been in force since 1871 possessed many advantages.

2. The Famine Commission has now proposed the institution of an Agricultural Department in India. It lays stress upon the importance of rendering readily available the accumulated experience of past famines in different parts of India, and has urged that greater attention should be bestowed on the investigation of vital, economic, and agricultural facts. Any effectual measures of agricultural and industrial development must, in the opinion of the Commission, tend at least to the mitigation of famines, both by promoting the increase of the food-supply amongst a growing population, and by directing industry into new and productive channels. Moreover, it is represented that the Government would obviously be strengthened, in its future dealings with scarcity, by a systematic classification of the experience gained in past calamities.

3. After careful consideration of the views put forward by the Famine Commission, the Governor-General in Council came to the conclusion that full justice could not be done to the important interests which they advocate, and more particularly to the protection of the people from the effects of uncertain seasons without some enlargement and reconstitution of the Department now charged with those duties. The experience of the last two years had shown that no additional work could be undertaken by the amalgamated Home, Revenue, and Agricultural Department without imposing upon it an undue burden; and it therefore became necessary to devise some additional means for the conduct of business more immediately affecting agricultural improvements, the social and economical condition of the people, and the material resources of the country. It was accordingly determined to recommend to the Secretary of State the appointment of a new Secretary to the Government of India, to have direct and special charge of these branches of the administration; and his Lordship has now sanctioned this proposal.

4. It remains to decide what portions of the work at present performed by the amalgamated Department shall be entrusted for the future to the new Department, and what portions shall continue to be under the control of the Home Secretary. One of the most important objects of the new arrangements is to enable the Government of India to devote increased attention to the important subjects above mentioned: and it would, therefore, be inexpedient to make the new Department responsible for all the general and miscellaneous business which, for reasons of administrative convenience, was formerly conducted by the Revenue, Agriculture, and Commerce Department. The new Department will, as a matter of course, control all operations for the relief of famine; but that part of its functions will be necessarily intermittent, and its main work will lie in the branches of the public administration which most closely affect agricultural development and the interests of the agricultural population. In making the following distribution of work, the Governor-General in Council has, therefore, been influenced by the desire to free the new Department as much as possible from unnecessary calls upon its energies, in order to direct its efforts, so far as present circumstances admit, to the fulfilment of its most really essential duties.

5. Having regard to these considerations, the Governor-General in Council is pleased to direct that all matters connected with the subjects noted below, so far as they affect the provinces of British India, shall come under the cognizance of the new Department, *viz.* :—

1. Land Revenue, including Settlements and Takavi Advances.
2. Surveys, including Geological Surveys, but excluding Archæological and Marine Surveys.
3. Agriculture and Horticulture, including Fibres and Silk, Fisheries, Cattle-breeding and Cattle-disease.
4. Minerals.
5. Meteorology.
6. Famiae.

All matters relating to the undermentioned subjects shall be administered by the Home Department:—

1. Law and Justice.
2. Jails and the Penal Settlements in the Andaman and Nicobar Islands.
3. Escheats, and the administration of Estates of Intestates.
4. Police.
5. Education.
6. Examinations.
7. Industrial Arts, Museums, and Exhibitions.
8. Sanitation.
9. The (Civil) Medical Service.
10. The Ecclesiastical Service.
11. Civil Service questions.
12. Registration of Assurances.
13. Patents.
14. The working of the Vagrancy Act.
15. The working of the Arms Act.
16. Copyright.
17. Archæological Surveys and Conservation of Ancient Monuments.
18. Municipalities and Local Funds.
19. Census.
20. Gazetteers.

6. As a temporary arrangement, the Home Department will also be charged with the Superintendence of the Forest Department; and, subject to reconsideration, the Revenue and Agricultural Department will temporarily conduct the whole of the business of the Government of India connected with emigration.

7. The Military and Finance Departments will continue to administer all matters connected with the branches allotted to them by the Home Department Resolutions Nos. 31—1104-1119, dated 14th June 1879, and Nos. 53—2046-2061, dated the 29th October 1879.

8. The new Department will be styled "The Revenue and Agricultural Department," and will be constituted with effect from the 6th July 1881. The officer to be placed in charge of it will have the position, and will exercise the duties, of a Secretary to the Government of India.

ORDER.—Ordered, that a copy of the foregoing
